This Deprogramming Sequence has been provided in PDF for those who wish to go through PAC Deprogramming without the web-based presentation. If you happen to come into contact with this document we highly advise that you go through the extensive web-based presentation at the link <http://www.pacinelaw.org/depro> due to its high impact and other information that is not included in this format.

DOCUMENT FORWARD

In *Morals and Dogma* (circa 1871), Albert Pike wrote:

“Masonry, like all the Religions, all the Mysteries, Hermeticism and Alchemy, conceals its secrets from all except the Adepts and Sages, or the Elect, and uses false explanations and misinterpretations of its symbols to mislead those who deserve only to be misled; to conceal the Truth, which it calls Light, from them, and to draw them away from it. Truth is not for those who are unworthy or unable to receive it, or would pervert it...The truth must be kept secret, and the masses need a teaching proportioned to their imperfect reason. . .”

This is the New World Order. . . . THEY are the controllers.

=====

THE INTRODUCTION

THE BRIEFING. Have you ever felt that there is something very wrong, but could never quite put your finger on what the problem is?

This Sequence will explain what that problem is and bring you to a realization of truth. The principal objective of the Coalition is to have you understand the inviolate truth as it relates to the Law of God and the law of man. This Deprogramming Sequence will set forth that truth, allowing you to release yourself from your unknowing servitude.

At the close of this Deprogramming Sequence, the Coalition will give you the basic legal knowledge to “Emancipate” yourself from servitude. Such status will ultimately grant you your true freedom pursuant to the Law of Nations. This status is protected by—what the Coalition refers to as—the organic or original Constitution.

The Coalition hopes you will proceed in learning the truth. . .

FORWARD. To initiate your Deprogramming, you must think of yourself as having been kept in a box since your birth—your family has also been raised inside that same box; thus—due to incognizance—they had no alternative but to keep you in that box. Everyone you know and meet is generally inside that exact same box. Of course, neither you nor they would know what life is like outside that box. Understand that inside this box is a set of rules that you are told to live by. You know not any different. That box you have lived in your whole life is actually a system. . . a system that has become your

memory. . . a memory that “THEY” have programmed you with. You have been programmed for a calculated and planned purpose. . .

A truly unconscionable and evil purpose.

If you happened to have seen the movie “The Matrix” you would know that Morpheus contacted Neo and advised him that he was a “source” [slave]. In the Matrix, Morpheus used the metaphor of a battery to show that all humans were slaves [*i.e.* metaphoric source]. A source to power THE MACHINE.

The unfortunate truth is that throughout history man has submitted to his enslavement time and time again. Today, the enslavement of God’s people is/has been done in an evil and stealthy manner—such being accomplished through social programming via your education. Thus, you are totally unaware of the silent ramifications of this servitude.

Accordingly, although unbeknownst to you, you have submitted to an unknown power and become a slave of IT. . .

You just do not realize it, nor do you understand it.

This sequence will give you the knowledge to throw-off the debased status of a source-slave, allowing you to assume the exalted status of a free man or woman. The prime objective of this Deprogramming Sequence is to deprogram you; in other words, to unplug you from what the Coalition refers to as. . . THE SYSTEM

~~~~~

## **THE SYSTEM**

A relevant quote from “The Matrix” is visited below:

*“The Matrix is a system, Neo. That system is our enemy. But when you’re inside and look around. . . What do you see? Businessmen, teachers, carpenters. . . The very minds of the people we are trying to save. But until we do. . . These people are still part of that system. . . And that makes them our enemy. You have to understand. . . Most of these people are not ready to be unplugged. And many of them are so inured. . . So hopelessly dependent on the system. . . That they will fight to protect it.”*

--MORPHEUS, The Matrix

To define the scope of “The System” is a feat of great magnitude, this due to the complexity of its purpose. Most would think “The System” is the way the government operates; however, it is much more than that. It is the way you have been programmed to act, think, work, and handle your daily affairs, among many other things too numerous to mention. As most of us have gone to a Public School, we all have been indoctrinated to the ways of “The System” through. . . Social Programming.

Consequently, most people in America are dependent on “The System,” unable to function without it. This artificial dependency imports the quality of being “Subordinate to the State,” which is the true purpose of “The System.” This will be more fully understood as you progress further with your Deprogramming. For now, however, you must understand that the prime objective of “The System” is solely economic. Its primary

design objective is to create a commodity—or several commodities, if you will. In other words its purpose is to create. . . THE PRODUCT

~~~~~

THE PRODUCT

As you are no doubt aware, the government (and others) constantly put the economy on a pedestal, almost as if it were something to revere. There is some merit in that principle.

However, for a moment let us think “outside the box”.

Have you noticed that in school—and in general—there is a strong push to guide you or “program” you for a career? A thought is posed:

Why must the average person work and toil his entire life to achieve a so-called retirement? We may also ask: Why, over the past half century, have women been pressured into developing careers outside the home?

Why do you think this is? Why must most everyone in America have to work full time per se? Is it not possible that a man could completely pay for (or inherit) his own house and land early in life? If that could be achieved, then would not any such person need only pay for the bare necessities. . . and then. . . ENJOY life thereafter?

Of course, such case is not the case for most Americans. It appears that the “Debt Cycle” never ends for them. Why do you think that is true? . . .

That is, other than ADDICTION TO MATERIALISM.

This query leads us to the crux of the problem. The purpose of perpetual debt is to create the orchestrated “The Product” called profit or gain (*e.g.* interest). To effectively create “The Product” people must be induced to remain in perpetual debt.

In this planned scheme, “The Product” is ever renewable. . . that is, so long as people remain in debt—personally and also through government. Accordingly, people are enslaved by debt; and everyone must be continually working or creation of “The Product” ceases to exist. Such a bold plot would require a cunning enslavement of the people, brought about in a completely stealthy manner. To develop such a sly plan several parameters have to be invoked.

Of course, since certain “World Elite”—of which the Coalition refers to this unknown faction as **THEY**—are the ones receiving “The Product;” it would stand to reason that **THEY** are the ones with the resources—and the incentive, and the money and power—to initiate. . . THE VEHICLE

~~~~~

## **THE VEHICLE**

To this point in the presentation, we have been establishing evidence for an “Economic Food Chain”, so to speak. This “Food Chain” is created by natural social structure/order.

In any natural or social system, the strong will always consume the weak. The World Elite (the big fish) will therefore naturally exploit—or consume—the lower classes (the smaller fish).

Why is “The Vehicle” needed? . . . To create “The Product” of course. Without these two important factors present, tacit slavery cannot be achieved or sustained. The best way to evidence “The Vehicle” is to illustrate the following quote:

*“Give me control over a nation’s currency, and I care not who makes its laws.”*

The preceding was stated by Mayer Amschel Rothschild, a World Elitist. Which brings us to the crux of the problem. . . America’s Currency.

Unascertained by most Americans, the Federal Reserve System (The Vehicle) is a Privately Owned Bank System with several private investors. Mind You: all of whom are World Elitists. The purpose of “The Vehicle” is to financially manipulate the transfer of people’s property (labor, payments of interest, etc.) to the hands of the World Elite in a stealthy manner.

At this point you may be questioning, what does the currency really have to do with the economy? And why would an Elitist like Rothschild want to control it? Further, you may be wondering, if the law is so important to my being controlled, why did Rothschild not care who made the laws?

In answer to the first question, the person who controls the currency can control the people. Because the Federal Reserve’s money is not backed with any substance (it is merely based on book entries—nothing of substance), the currency can be easily jockeyed; thus, once the people are dependent on the system, they are effortlessly enslaved to the owners of the system.

As to the second question, Rothschild, and those like him, understood that there would never be a shortage of people with a strong urge to rule over others; that is to say, people with dictatorial traits. Because he understood general human nature, world banker Rothschild was not worried about these kinds of things. He knew that such “tools” would naturally be driven to succeed, inevitably becoming enslaved by the same system themselves.

Accordingly, they too would be controlled under the system like everyone else.

At this juncture, many people may understand what is transpiring. History does repeat itself, and the World Elite are actually contemporary or neo-moneychangers. Such moneychangers could be thought of in the same way as the moneychangers mentioned in the Bible. The exclusive goal of the World Elite (big fish/moneychangers) was to create interest (The Product). In order to create interest (The Product), their money system (The Vehicle) had to be installed. After that was complete, an Income Tax could then be implemented (thus the larger fish would perpetually be feeding off the smaller fish—as planned).

To bring the “Economic Food Chain” (The System) into existence, the World Elite needed a resource by which to procure “The Product” from what we call “The Vehicle.” As you may have inferred from above, that resource is to be considered. . . THE TOOLS

~~~~~

THE TOOLS

In order for “The Product” to be procured for the World Elite to benefit, it is essential that the administrators of “The System”, or “The Tools” if you will, control, and furthermore, appease, the masses (or smaller fish).

You may be asking how is this accomplished? To appease and motivate “The Tools,” the upper echelon (the government, or the ruling class—most of whom are lawyers) is given the knowledge of law; whereby they enjoy true freedom under natural law—the masses (or smaller fish), however, do not. Consequently, there are two sets of rules:

One Set of Rules for “The Tools”; and. . .

One Set of Rules for the masses (or smaller fish).

As established in the Coalition’s Introduction, our Web presentation is based on Law. Therefore, please be aware that The Law is actually “The Rules.” Also please note in American law that there are multiple sources of authority that manufacture and set forth the two sets of rules.

In due course. . . The World Elite need “The Tools” to initiate. . . THE DEAL

~~~~~

## **THE DEAL**

To deceive Americans into unknowingly submitting to a life of servitude, the government which are run by Tools—both cognizant and uncognizant—offers them a “Deal.”

To accomplish this feat, the masses (or smaller fish) must be appeased. Accordingly, they are offered government doles in the form of handouts, such as social security, loans, etc.

The particular “Deal” we are referencing is the deal issued by the 32nd President of the United States de facto, Franklin Delano Roosevelt. He offered the American people something called the New Deal. Roosevelt, without any doubt, was a puppet—or Tool if you will—of the World Elite.

At the time period Roosevelt became President of the United States, “The Vehicle”—or the money system—was already in place. In fact, there were two money systems in place:

- (1) The Constitutional money system, based on Gold/Silver; and
- (2) The privately owned money system based on thin air, implemented by the World Elite (the Moneychangers).

Just prior to the “Great Depression” (so-called) transpired, a huge amount of the “money based on thin air” was dumped into circulation. This caused hyper-inflation, which in turn caused the Great Depression. One should wonder why it was dubbed the “Great Depression” and not the “Big Depression,” or the “Depression of 1929,” etc. Could it be that it was given the title “Great” to evidence the World Elite’s pride in what they had accomplished? The “Great Depression” was executed to get the masses (or smaller fish) to submit to Roosevelt’s “New Deal.” After being beset with a few years of inflicted

economic genocide, Americans were willing to capitulate to the “The Deal.” This orchestrated plot can be evidenced by the following quote:

*“The surest way to overthrow an existing social order is to debauch the currency.”*

The preceding quote was from another puppet—or Tool—of the World Banking Elite—or the Moneychangers. Please be aware that this is leading up to a very rude awaking, so at this juncture, it is best that you are not aware of who made the above statement.

After “The Deal” was effectively in place, by Roosevelt’s order (Executive Order—a de facto function) all Americans’ Gold was confiscated. At that point, “Lawful Money”—which is based on gold and silver—was all but finished. This theft of the “Lawful Money” allowed the “privately owned” Federal Reserve System to control the so-called inflation factor.

To get Americans to submit to servitude under a master, the scam must look attractive. To make the “New Deal” appealing, a dole entitled “Social Security” was offered. To make the “New Deal” dole system work effectively, Americans had to be issued a number. This number allowed the Federal Government to institute the tax for Social Security, while simultaneously enabling the collection of an income tax. The Social Security dole was just a sales tool to secure harvest of “The Product.”

Further, to generate “The Product,” Americans have been told that war creates a good economy. If one would use common sense, one would see that wars not only create tremendous debt, but more importantly they are tragic engines of mass murder. Generally, wars are popularized and marketed to the people on some strongly emotional pretext. For example, most of the 20th century’s wars have been sold on the pretense of fighting a foreign bogeyman, the most prominent being the so-called Cold War—against the so-called Communists. Other wars were promoted on the ploy of humanitarianism. Handily—for the World Elite anyway—the Income Tax was needed to pay for the debts resulting from World Wars I and II. Actually the World Elite intentionally created these wars to solidify their “Funny Money” system currently in place in America. You must understand that the main purpose of these wars was to create debt so “The Product” could be inflicted on the American people. Accordingly, we will now reference the orchestrated inserted Federal Reserve and the planned purpose for their bogus debt notes: Federal Reserve Notes:

- **FEDERAL RESERVE NOTES.** Form of currency issued by Federal Reserve Banks in the likeness of non-interest bearing promissory note payable to bearer on demand. The Federal Reserve Note (*e.g.* one, five, ten, etc. dollar bill) is the most widely used paper currency. Such reserve notes have replaced silver and gold certificates which were backed by silver and gold; such notes are direct obligations of the United States.

Of course the direct obligations of the United States reflects the so-called national debt. The United States—which is to be understood as the American people—has been bankrupt since the Presidency of Franklin D. Roosevelt: the so-called “New Deal” president. Due to these instituted notes—or debt—everything you purchase—ANYTHING!—is purchased with debt. Consequently, the American people are the replacement for gold and silver.

So the next question is, what was actually instituted by the World Elite to efficiently create and collect “The Product”?

It was. . . THE STATE

~~~~~

THE STATE

Actually, what the “New Deal” instituted was government or a political system that is based on “Socialism.” Under a Socialist regime, “The State” dictatorially governs and takes care of the people.

Accordingly, socialism ultimately leads to the people being tyrannically forced into tacit serfdom/servitude.

In contraposition to a “Socialist State” people are more apt to be of a self-governing nature, which is accomplished through solid family bonds and a strong sense of LOCAL community (emphasis added here). The organic Constitution established this under common law practices. You must understand that the introduction of this “Fictional Family” is the reason America has seen such horrific moral decay in the past 50 years. Once people learn that “The State” is willing to take care of them, they no longer need their natural families.

Incidentally, the Coalition believes this is one reason Americans have become so seemingly ‘self-centered.’ Please also understand that the grotesque effects generated by introduction of the “Socialist State” were known well in advance; and also understand that “The State” was implemented solely to create the maximum amount of “The Product” for THEY. It is simple: The “Socialist State” breaks up families, forcing more people in having to work to support themselves. . .

Ergo, more Income Tax (“The Product”)!

As a general rule it should be known that history repeats itself, this is not a new story. Many philosophers of history have warned against this inflicted form of silently induced servitude. On the premise of the thing we call the Socialist State, let us look at a quote from “The Social Contract or Principles of Political Right” by French philosopher Jean Jacques Rousseau; Mr. Rousseau stated the following:

“Under bad governments, this equality is only apparent and illusory: it serves only to keep the pauper in his poverty and the rich man in the position he has usurped. In fact, laws are always of use to those who possess and harmful to those who have nothing: from which follows that the social state is advantageous to men only when all have something and none too much.”

What Mr. Rousseau meant is:

A bad government will keep the Elite in power; the more laws there are the more power, control and money the Elite can manage to keep for themselves; accordingly, it keeps the poor (and middle-class) from advancing.

So it logically follows that when the ruling elite want to maximize their profits by committing theft on a national, federal or global scale, the socialist state is the ultimate

means to achieve that end. And in further reference to the learned convictions of French Philosopher Jean Jacques Rousseau, Roman Senator Publius Cornelius Tacitus stated that:

“The more corrupt the state, the more numerous the laws.”

These two great men of history concur:

More government means more corruption. To reinforce this fact, Mr. Rousseau candidly states that a government based on socialism is a vehicle of thievery by the ones in control and power.

Accordingly, most of this elite faction (The Tools) have been Programmed to believe that you (the common masses) are incompetent, and therefore need to be controlled. Such people have the requisite arrogant dictator qualities, and fall into the hands of THEY. Of course, some of this elite faction believe that they are doing justice; however, they fail to realize that they are just puppets of a higher master. The others realize who the true master is and because of their greed. . . Obey.

Nonetheless, both sets of Tools are oppressing Americans, and ultimately, under the guise of caring for people, each faction is engaging in tyranny against “their” people.

Naturally, the original Constitution did not allow the formulation of a thing that we call the “Socialist State.”

To create such a state you need to. . . break. . . THE CONTRACT

~~~~~

## **THE CONTRACT**

To continue in your awareness, education and Deprogramming, you must understand that a constitution is fundamentally “The Contract” between a people or “society” and its government; it establishes how the government is to operate and limits the government. In other words, it sets forth what it can and cannot do in regard to the people.

To create a socialist state “The Contract”—which are the Articles of Confederation and the organic Constitution—with the American people (of the several American republics) had to be broken.

To further your understanding of what a constitution is, the following definition is cited from a general law dictionary:

- **CONSTITUTION**, n. Abbr. cons., const., Const. The system of fundamental laws and principles that prescribes the nature, functions, and limits of a government or another institution. b. The document on which such a system is recorded.

The history for the American union is:

1. The Articles of Confederation, 1787 (the original contract of the American union of states / nations)
2. The organic Constitution in 1787 (which is the original constitution of the American union)

3. First 10 Articles in Amendment (known as the Bill of Rights), which were ratified in the year of 1791

4. The 11th, 12th and 13th Amendments the original 13th (which was replaced by the current one)

5. The Fourteenth Amendment (which fundamentally establishes an alternate governmental system)

To begin with, the original—or organic—Constitution—which sets up and governs the Union State [*i.e.* the State of the Union]—had two most important, but limited, purposes:

(1) to protect the union of American republics militarily; and also, (2) to govern trade and commerce between the American republics, and commerce of the Union internationally.

Second, the Bill of Rights was added to the organic constitution to protect the people; it was basically an agreement between the American republics (people) and the United States (federal government). It was of intended purpose to protect the American republics (people) from the Union State (the federal government), which was created by the organic Constitution. The Eleventh, Twelfth and Thirteenth Amendments were soon to follow as a legitimate part of the organic Constitution.

Third, after the Civil War—correctly, the War between the States—a New Federal Government was installed by the Fourteenth Amendment—it also installed new state governments. The Fourteenth Amendment created a new political system which was fundamentally adverse to the original Constitutional system and the law of nations. This was the main turning point to the Socialist State. The Fourteenth Amendment is one of the so-called Reconstruction Amendments, which are numbered the 13th, 14th and 15th. The Fourteenth Amendment is somewhat a constitution in itself; actually the Fourteenth Amendment and the organic Constitution work concurrently to make a Government *de facto*. Every amendment of the Constitution which comes after the Fourteenth is representative of the new governmental system installed by insurgency. . . this fact exists as: the Fourteenth Amendment was not lawfully ratified. It was strangely just “instituted” after the so-called Civil War.

Yes, the Civil War is where “The Contract” with the people was broken. The Fourteenth Amendment laid the groundwork for the Socialist System. The constitutional government[s], as set fourth by the founding fathers, are not currently in place. . . and have not been since the so-called Civil War. You must understand that you have been living a lie.

Accordingly, all participants in this governmental system, both state and federal, are referred to as “Insurgents” as a matter of law. This *de facto* (as compared to *de jure*) System of government is what the insurgents, and others, refer to as a “Democracy.” The 14th Amendment was the instituting factor which enabled the implementation of the dictatorial “Socialist State” or “Totalitarian System.” Pursuant to what we refer to as a bastard governmental system, Article IV, section 4 of the organic Constitution guarantees each state or country in the Union a government in the form of a Republic—NOT a so-called Democracy.

The term “State” means a “Republic” with a government. The term Republic means the “Land” and the “Nation” of that land; hence, the term “State” is generally in reference to

a government of any specific American Republic. The founding fathers used this premise to create a government of the people—a Republic. The Union is actually a federation of the several American republics (states). The “State” for the federation (Union) is the federal government. In the premise of the original constitutional system, the federal state was not to house American peoples at large. The Fourteenth Amendment creates citizens that are beholden to the “United States” over their own republic or country. The term “Democracy” is just a buzz-word used for the current totalitarian (socialist) system of government. This terminology game of the cabalists will be reviewed in a subsequent Part of this Deprogramming Sequence.

In due course, this is where the two set of rules are set forth. The Rulers (big fish), who are part of the de facto system, know this and enjoy their natural rights under the protection of the original Constitution. The ruled (little fish) are under the control of the insurgent governmental system (socialists) and do not enjoy their natural rights. Any rights they do have under the so-called (or referred to as) “constitution,” are ones they receive as a privilege from the federal government. In other words: The Bill of Rights is being handed out as The Rulers see fit; such rights of which did not apply to the people in the several states to begin with. They were covered by their state constitutions.

Moreover, the way the Fourteenth Amendment is instituted, even though you believe you own your land, your land (property) can be taken from you at any time without just compensation. Unperceived by all Americans is the chilling fact they are unknowingly involved in Criminal Activity (by design) via said amendment. Once you start to read case law you will learn to interpret the United States Code and begin to understand international law, you will understand that there are fundamentally two systems of law in operation. You may be asking yourself at this point, how does this benefit the World Elite in their quest for power?

Well, you must understand, it creates. . . THE FEUD

~~~~~

THE FEUD

The power to establish the United States Government is obtained from the peoples of America. Via their land, the peoples are where the sovereign power is inherent; much the same as a monarch is to his kingdom. Simply stated: Without the peoples of the American republics there cannot be a government; hence all land belongs to the people—as bequeathed by God—NOT: the government, state or federal, nor the people that run them, nor “The Collective.”

Due to the fraudulent actions of the Fourteenth Amendment political system, as a matter of law, an American is taken out of his state and then transplanted in Washington DC. Americans then become part of what is referred to as a feudal a system.

In other words. . . “The Feud.”

For most, this creates a serf situation. A serf is fundamentally a slave or vassal. “The Feud” system is defined by the following series of terms:

- **FEUD**, n. See fee. [Medieval Latin feudum, of Germanic origin.]

- **FEE**, n. 4. Law. An inherited or heritable estate in land. 5a. In feudal law, an estate in land granted by a lord to his vassal on condition of homage and service. Also called feud, fief. b. The land so held.
- **FEUDALISM**, n. 1. A political and economic system of Europe from the 9th to about the 15th century, based on the holding of all land in fief or fee and the resulting relation of lord to vassal and characterized by homage, legal and military service of tenants, and forfeiture. 2. A political, economic, or social order resembling this medieval system.
- **FIEFDOM**, n. 1. The estate or domain of a feudal lord. 2. Something over which one dominant person or group exercises control.
- **VASSAL**, n. 1. A person who held land from a feudal lord and received protection in return for homage and allegiance. 2. A bondman; a slave. 3. A subordinate or dependent.
- **SERF**, n. 1. originally, a slave. 2. a person in feudal servitude, bound to his master's land and transferred with it to a new owner. 3. a person who is oppressed or without freedom.
- **SERVITUDE**, n. 1.a. A state of subjection to an owner or a master. b. Lack of personal freedom, as to act as one chooses. 2. Forced labor imposed as a punishment for crime. 3. Law. A right that grants use of another's property.

Note some of the elements of the above definitions, such as:

- a) A subordinate or dependent.
- b) Something over which one dominant person or group exercises control.
- c) Relation of lord to vassal and characterized by homage, legal and military service of tenants.
- d) Forfeiture of property (*e.g.* for not paying taxes).
- e) A political, economic, or social order resembling this medieval system.

Of course the dominant group is the Insurgent Governmental system established by the Fourteenth Amendment.

Since Americans have chosen to take benefits, such as Social Security, they are subordinates and/or dependents (vassals).

Under a free state (or country), a man is obligated to defend his country; however, under the current totalitarian system if a person refuses to go to a private war, such as the Vietnam War, he is put in jail for failure to obey the lord (*i.e.* the United States government). This is parallel to a vassal (serf) yielding to military service. That is—a vassal can be imprisoned—a freeman can not. Furthermore, this is how the federal government has procured all the land in the several American republics, via the 14th Amendment. . . The Red Amendment.

Such public land inherently belongs to the people of any particular American republic. Accordingly, all “Federal Parks” are part of this feudal system. In essence—due to their ignorance—said land has been stolen from the people of the several American republics.

Of course the sum of the factors listed above is the political, economic, or social order resembling this medieval system. Ergo, you have the “The Feud.” There is much more to this induced feudal situation; however, as we are just touching the surface in this Deprogramming session, we will not delve deeper at this time.

So, how does “The Feud” benefit the World Elite? There are many factors to be considered in regard to this question. To name a few of such factors:

- 1) The public lands are rented out to companies. Perhaps to an Oil Corporation for drilling rights to extract oil present beneath the land. Purportedly everyone benefits (through taxation) through the collected leasing funds. However, this is deemed a commercial enterprise, and constitutionally, the government cannot get involved in commercial enterprises. The “New Governmental System” can, however do these things.
- 2) It transforms the United States military into a private army to help the World Elite create their New World Order (which is designed to set-up commercial and/or economic slave force around the world). This “private military machine” was recently utilized in the Gulf War to protect the oil interests of George Bush and other World Elitists under the guise of patriotism.
- 3) The most pernicious factor is that the Fourteenth Amendment pulls everyone into a foreign jurisdiction (*i.e.* the federal government). There they can be controlled and taxed (income tax) by the federal government, thus enabling “The Product” to be easily collected from the masses (the smaller fish).

When the Fourteenth Amendment takes an American out of his native state, he then loses the sovereign power as instituted and protected by the Constitution. Moreover, a person who is naturalized as a United States citizen is deemed a resident of the state he lives in. Anyone who buys property does not own it as a true citizen—or national—under the law of nations. It is owned under the privilege of being an alien living in the state as a resident. This legal premise holds true for any national that is in America—born or naturalized. To achieve the debilitating status, the “Red Amendment” removes Americans from their natural state or nation and makes them part of a new nation—the federal state/nation. This action strips them of their natural rights; after which, Americans are strictly subordinate to the government, state and federal.

Again, may we bring to your attention that unknown to most Americans (as planned), they are unwittingly involved in Criminal Activity via section 2 of the Fourteenth Amendment. . . The criminal activity. . . Voting.

Voting makes an American unconditionally subordinate to the federal and state governments. Remember it was stated that you do not own anything. As evidence, reference this statement made by the de facto Congress—consisting of socialist based insurgents—March 9, 1933:

“The ownership of all property is in the state. The individual’s so-called ownership is only by virtue of government that is law amounting to mere user, and use must be in accordance with law and subordinate to the necessities of the state.”

Such has been established and progressively set-up by the Fourteenth Amendment. The era of Roosevelt was the next orchestrated blow which did away with our lawful money.

This was to further implement the feudal system. Actually, anytime the government[s] wants to hold something against you, they check whether you are a registered voter and then use it against you, because you have submitted to “The Feud.”

Consequently. . . The 14th Amendment is to be considered. . . THE CABAL

~~~~~

## THE CABAL

To continue your Deprogramming, you must understand that the World Elite needed a plan to carry out their plot. The instituted plot being “The Cabal,” which is the Fourteenth Amendment.

The Fourteenth Amendment can be labeled a cabal not only because it was a secret plot contrived by a group of conspirators, but also because it has been promoted to the people as being beneficial, when in fact it is quite injurious. In actuality, its main purpose—besides the effects listed earlier in this Sequence—is to tacitly involve everyone in America in commercial activity. Of course, all Americans are being treated as if they are in commercial activity. This presumption of commercial involvement is due to the dual citizenship created by the Fourteenth Amendment.

The presumption of commercial involvement can be deemed an act of criminal fraud on the part of anyone who endorses the Fourteenth Amendment. Cabal is just another word for conspiracy. Some say to have the elements of a conspiracy, its execution has to be hidden, *i.e.* not out in the open. This is false; see the definition of conspiracy below:

- **CONSPIRACY**, n. 1. An agreement to perform together an illegal, wrongful, or subversive act. 2. A group of conspirators. 3. Law. An agreement between two or more persons to commit a crime or accomplish a legal purpose through illegal action. 4. A joining or acting together, as if by sinister design.

As you can see the main elements constituting a conspiracy are that an illegal, wrongful, sinister or subversive act is committed by two or more people. Most people misuse this term. And to allay any concerns that this is just another “conspiracy theory,” consider this quote from the Tool, Franklin Delano Roosevelt:

*“Nothing in politics happens by accident. If it happens, you can bet it was planned that way.”*

As the Fourteenth Amendment was intentionally designed and implemented to achieve an evil and planned political purpose, the following defines what all participants are truly involved in:

- **POLITICAL CRIME**. In general, any crime directly against the government; *e.g.* treason; sedition. It includes any violent political disturbance without reference to a specific crime.

See also Political offenses.

- **POLITICAL OFFENSES**. As a designation of a class of crimes usually excepted from extradition treaties, this term denotes crimes which are incidental to and form a part of political disturbances; but it might also be

understood to include offenses consisting in an attack upon the political order of things established in the country where committed, and even to include offenses committed to obtain any political object.

Although the Fourteenth Amendment was initiated after the so-called Civil War over 100 years ago, if someone discovers and comprehends its true objective, and fails to rectify the situation—such being referred to in law as misprision, he is then knowingly involved in the conspiracy.

To reiterate, under a constitutional or republican system of government, the people—which is meant to mean the nation—are the true government. And since the Fourteenth Amendment government is being used for an evil purpose, a crime is being committed against the inherent sovereignty of the American people, and therefore the political offenses defined above are fitting. Furthermore, as the United States government insists on controlling the American educational system, and accordingly have chosen not to disclose this information—nor have they attempted to teach law to Americans—which is being controlled by The Bar Association monopoly—these factors establish prima facie—which means on its face—elements of a conspiracy.

To institute this evil act orchestrated by the World Elite, “The Tools” and others have to be confused with. . . THE GAME

~~~~~

THE GAME

This is where things become a bit more complicated.

Of course “The Cabal” was used to bring the “The System” into being with the Fourteenth Amendment as the main device. To get us to the present point, however, a series of other things took place.

As was revealed earlier in the Part entitled “The System,” the entire objective of the World Elite is to create a global “Economic Slave Force.” To create such a slave force THEY must make sure “The Tools” and the subjects of “The Tools”—which are considered the smaller fish—are not aware of what is being stealthily orchestrated. To do so, the World Elite have to manipulate the language and definitions a bit. . .

In other words “The Game” must be instituted.

Accordingly, the World Elite are constantly introducing new language or changing language to create confusion amongst—what THEY and the puppets or tools refer to as—the “Masses.” To best illustrate, let us look at the legal definition of “country” from a law dictionary of the 1850’s, and then compare it with a current definition:

- **COUNTRY.** By country is meant the state of which one is a member. Every man’s country is in general the state in which he happens to have been born.
- **COUNTRY.** The territory occupied by an independent nation or people, or the inhabitants of such territory. In the primary meaning “country” denotes the population, the nation, the state, or the government, having possession and dominion over a territory.

The first definition is simple: a state is a country. The second, although having a lot of information in it, is confusing. By the second definition a layman could not interpret nor understand that a state is a country, nor could an attorney.

THEY have dumbed down the American people—even the attorneys—to the point where we no longer know the real law/truth.

By the way, the above example is part of the Fourteenth Amendment cover up. THEY want everyone to think that America is one country and nation. When you finish the next three Parts, you will fully understand why this is being done. “The Game” is the main tactic to cover up the fact that the slave force is enlisted through their own consent via what is called “Voluntary Servitude.” In other words, THEY must conceal the fact that the American people (the smaller fish) are being covertly consumed by the Elite (the bigger fish). Note: It was brought to your attention that the slave force is in Voluntary Servitude. Another way to make sure the slave force is indifferent to what is really going on is to make them believe they are contributing to society on a global basis.

Ultimately, for the World Elite, this is an imperative and prudent measure; and, now you know the ulterior motive of THEY.

If this “plot” still seems somewhat unclear to you, you will understand when you finish “The Commodity.” By way of investigating language clues that may explain the main objective of the World Elite, the following term helps to clearly illustrate their goal:

- **STATISM**, n. The practice or doctrine of giving a centralized government control over economic planning and policy.

Now that we have introduced the term “Statism,” please take note and understand that as far as defining the main objective of the World Elite, this is just the “Term of the Day.” You must realize and understand that THEY are constantly introducing new language to create confusion. In other words: “The Game” is played. In the next three Parts, you will discover that there is other language—carefully crafted by the Elite to serve a specific purpose—that ties in with and supports the intended agenda of the “statism” concept we exposed above in this Part.

Such language is exposed in. . . THE INSTRUCTION

~~~~~

## **THE INSTRUCTION**

To engineer a global economic slave force that is trained to create “The Product,” and also develop a covert scheme to steal all the land, is a colossal undertaking. To accomplish it would require a special army slowly and subtly indoctrinated into the World Elite’s agenda.

This in itself would be a major undertaking involving the marketing of ideologies designed to sway many minds to the Elite’s cause. This is what the Coalition refers to as the “The Instruction.” “The Instruction” is needed to indoctrinate “The Tools” (puppets) for the World Elite. All such tools are then sent out to create the economic slave force through various private educational institutions which then run “The State.”

Below is a quote from such a tutorial manual:

*“Basically, Man is an animal. He is an animal which has been given a civilized veneer. Man is a collective animal, grouped together for his own protection before the threat of the environment. Those who so group and control him must have in their possession specialized techniques to direct the vagaries and energies of the animal Man toward greater efficiency in the accomplishment of the goals of the State.”*

Here is another quote from the same manual:

*“The individual is an economic organism, in that he requires a certain amount of food, a certain amount of water, and must hold within himself a certain amount of heat in order to live. When he has more food than he can eat, more clothing than he needs to protect him, he then enters upon a certain idleness which dulls his wits and awareness, and makes him prey to difficulties which, in a less toxic state, he would have foreseen and avoided. Thus, we have a glut of being a menace to the individual.”*

Here is another quote from the same manual showing the subversive actions of these people:

*“As every chair of psychology in the United States is occupied by persons in our connection, the consistent employment of such texts is guaranteed. They are given the authoritative ring, and they are carefully taught. Constant pressure in the legislatures of the United States can bring about legislation to the effect that every student attending a high school or university must have classes in psychology.”*

First, analysis of the last quote reveals that the ones who distributed this information had a direct agenda. They stated that they had infiltrated the field of psychology in America, and that they were going to push for legislation to induce all Americans to take psychology. This is to institute their objective: Creating an Economic Slave Force by way of “The State.” The second quote states that a person slides into an idle state if he has too much comfort; thus, this is when he can be taken advantage of. Moreover, he is not profitable when he has only the necessities.

Now by analyzing the first two quotes we learn that man is a mechanism used for productivity, and that the productivity to be directed toward the goals of what is “The State.” This stated agenda fits within the definition of “Statism,” at least in regard to putting all central economic planning in the hands of “The State.”

Simply put, people have to be kept busy and distracted so they do not understand what is being done to them. This is the direct purpose of the “Socialist State:” To make People Weak and Complacent, and to keep them busy with things that are of little or no importance (e.g. sports).

In reference to the above quotes, you will be astonished to find that they were taken from a training manual released sometime in the 1920s. It was later used in a Wisconsin University to indoctrinate an army of subversive operatives. That University, which mind you was/is in the United States of America, was Lenin University.

And yes—you are correct—it was named after V. I. Lenin, the communist leader of Russia. Accordingly, the name of the manual was entitled: A Synthesis of the Russian Textbook on Psychopolitics.

Ergo: Admitted COMMUNISM in America.

Oh, by the way, now you can be told who said: “The surest way to overthrow an existing social order is to debauch the currency.” This was voiced by V. I. Lenin, communist leader, and Tool of the World Elite. Understand that it is the same plot—just a different part of the world. As a principal means of implementing “The Vehicle,” the World Elite used such so-called communist methods to debauch our currency, thus imposing on Americans the current system of monetary servitude; a system that includes the income tax—which is more dicta from the Communist Manifesto noted by Plank 2.

During the entire 20th century, “Communist” operatives were in America fulfilling their stealthy agenda. Maybe this is why Wisconsin Senator Joseph Raymond McCarthy was branded a kook? More dicta from that same communist manual follows:

*“One of the first and foremost missions of the psychopolitician is to make an attack upon Communism and insanity synonymous. It should become the definition of insanity, of the paranoid variety, that “A paranoid believes he is being attacked by Communists.” Thus, at once the support of the individual so attacking Communism will fall away and wither.”*

McCarthy fell away and withered. The McCarthy ordeal may have been a test, or possibly it was just a smokescreen to initiate what has been executed in America (look over there, while we do it here). Of course, maybe the McCarthy ordeal was real [? ? ?].

In any case, as THEY had already infiltrated all the American universities with “The Instruction,” everyone in America was already brainwashed—which is still going on, as all universities are run by left-wings, which are “communist minded” people. As a matter of common sense, it is obvious that the World Elite control the World (puppets) via their wealth. Since THEY were able to implement “The Vehicle,” it stands to reason that THEY had (have) the financial power and the means to implement “The Instruction.” Be that as it may, so-called communism is just a name to bring about creation of a “State” in order to control the masses (the smaller fish), thereby creating an economic slave force (see statement of first quote above) for the benefit of the Elite (*i.e.* profit and gain).

In case you haven’t quite gotten what is being explained, so-called Communists (usually tools *e.g.* labor unions) believe they are fighting a foe dubbed “Capitalists.” In reality the so-called “Capitalists” are actually the so-called “Communists,” and the so-called “Communists” are actually the so-called “Capitalists.”

That is, THEY are the ones fueling the fire via so-called communism. In other words, it is the Mega-Capitalists (World Elite) on a stealthy and progressive Economic Agenda.

How this is accomplished will be explained in the next Part.

The agenda was accomplished by. . . THE BLUEPRINT

~~~~~

THE BLUEPRINT

To achieve Statism—which is really a form of Communism or the American version. . . Federalism—a blueprint is needed.

“The Blueprint” was written by two men named Karl Marx and Fredrick Engels in the year of 1848. The Blueprint we refer to is entitled the Communist Manifesto. This manifesto is of purpose to put everything in the hands of the State, with the Elite in control, *i.e.* The Marxist equivalent: Ruling Class, or—if you will—“The Tools.”

Below are definitions from the American Heritage Dictionary that define communism. There are two different definitions:

(1) The bogeyman; and (2) The actual plan as applied:

- **COMMUNISM.** 1. A theoretical economic system characterized by the collective ownership of property and by the organization of labor for the common advantage of all members. 2. Communism. a. A system of government in which the state plans and controls the economy and a single, often authoritarian party holds power, claiming to make progress toward a higher social order in which all goods are equally shared by the people. b. The Marxist-Leninist version of Communist doctrine that advocates the overthrow of capitalism by the revolution of the proletariat.
- **COMMUNISM.** An economic and social system under which all means of production are owned by the workers and controlled by the state for the common good. In most cases, economic and political control is held by a single, often authoritarian party. Economic growth and planning are controlled by a central authority, *i.e.* government. (*i.e.* Socialist totalitarian Democracy as established)

As you can plainly see. . .

There are different variations of the definition of. . . COMMUNISM.

The foregoing definitional variations of communism stand to reason. Marx can be quoted as stating in his Communist Manifesto, the following about the conditions that set forth the basis for communism:

“These measures will, of course, be different in different countries. Nevertheless, in most advanced countries, the following will be pretty generally applicable.”

If you examine the Planks of the Manifesto you will find that most of its dicta have been applied in the United States of America through various applications of fact and law. As most people in America have been through “The Instruction,” they are largely unaware of Communism’s prevailing presence. Although both definitions of communism are somewhat applicable in the United States, pursuant to the second definition above please note the following:

- Economic system owned by the workers and controlled by the state: *e.g.* Corporations and stocks are regulated by the federal government.
- Political control by an authoritarian party: *e.g.* Franklin D. Roosevelt said: “*There is not a dime worth of difference between the Republicans and Democrats*” For this premise explained see the definition of: Dog-and-Pony Show.
- Economic growth and planning are controlled by a central authority: *e.g.* The private Federal Reserve controlling interest rates/economy; and the faction responsible for “Income Tax”, which again is Plank 2 of the Communist Manifesto.

ERGO: Communism exists as defined by the American Heritage Dictionary with emphasis on American Heritage, not what is presented by the Television, *i.e.* the Puppet Press or by what you have been indoctrinated with in school, mind you: both upper and lower education.

To continue, anyone with common sense can see through “The Blueprint.” It was designed to enslave mankind through its dicta. Its chief purposes, among other corrupt and devious things, are to: steal land, implement a private bank, control children, eliminate families, control education, eliminate religion, promote immoral behavior, and eliminate countries and nationalities, which was accomplished by the Fourteenth Amendment under the color of law. The puppets (*i.e.* the ones who obey their master) know Communism’s true purpose. There are those, however, who truly believe that Communism is a viable solution to the world’s problems. Their conviction is so strong, that they want to be communists! The sad truth is they have simply been brainwashed by the World Elite to act as an attack force against the middle class.

In the Communist Manifesto, Marx craftily diverted the attention of the trained army (lower class) and convinced them that the middle class is the problem. Again, the Look over there, while we do it here ruse. A totalitarian governmental system is needed (*i.e.* so-called Democracy) to impose “Socialism” so that the goals of man can be bent toward accomplishing the agenda of “The State” (statism).

Simply put: Socialism is the control of the people by government. Socialism is just the mechanism that is intertwined to bring about the World Elite’s agenda of unknowing servitude.

Now, do you recall that in the section entitled “The Product” it was stated that even the women have been pushed into a career situation? Then, you are no doubt aware that women have been told they have a right to work. In reality they have been conditioned. Plank 8 of the Communist Manifesto states:

Equal OBLIGATION of all to work!

Obligation means they have to work! So women have been programmed to think that they have the right to work, when actually they have been programmed to work. Rights have nothing to do with it. THEY wanted women to work so THEY could extract Income Tax from them.

In the Section entitled “The Contract,” it was mentioned that the United States of America is not supposed to have a Democracy—it is guaranteed a governmental system in the form of a Republic.

A so-called “Democracy” is necessary in so far as it is the foundation from which to achieve Socialism’s destructive effects. See the quote which exemplifies this fact:

“Democracy is indispensable to Socialism.” V. I. Lenin

And further, here is another quote from the author of the Communist Manifesto:

“Socialism leads to Communism.” Karl Marx

This is how the plot works: The Elite (Tools) have the financial capability of tapping the constitutional system of law (money; lawmaking; attorneys; etc.). Therefore, they are immune from the heavy taxation and other liabilities caused by the stealthily imposed

Marxist dicta; however, there are Loopholes. Thus, the lower class is taking down—and also strictly feeds off—the middle class. If you do not understand this logic, please refer back to the Part entitled “The State.”

Again, so-called communism is nothing more than a World Elite plot operating in the guise of the State, whose function is to create a slave force. This is all grandly choreographed to fund the orchestrated debt that THEY created. THEY are benefiting from the book entry interest created by the fruits of Americans’ labor. The book entry slave credit is then used as purchasing power by the Elite. America’s wealth is being stolen via the system implemented by “The Blueprint.” The upper-classes also benefit, since their “Corporations” profit from the same slave-force. All in all, this establishes. . .
THE COMMODITY

~~~~~

## **THE COMMODITY**

Now it is time to fully disclose what this is all about. . .

PRIOR TO the Civil War, the middle class was primarily composed of self-sufficient landowners who was not a useable resource to the World Elite. THEY devised the Communist Manifesto as a means to enslave the middle class and tap their usefulness, *i.e.* exploit their wealth and labors. Witness that today, the middle class is categorically working. . . As we stated earlier—even middle class women have to work now. Accordingly, in this Part the final PRODUCT is disclosed. In other words, we will unveil the World Elite’s final desired output.

In the past several years you may have noticed that the phrase “Human Resource Department” has replaced “Personnel Department” in the work place. Also you may have noticed that in recent years that “Company” has generally been replaced by “Corporation.” You may be saying to yourself: So what. . . What’s the difference? Actually there is a big difference. The former is private, while the latter is controlled by the government. Corporations are “Creatures of the State” established by law, whereas companies are generally private; consequently, the owners of companies enjoy the absence of government intervention.

This progressive and orchestrated conversion should be a strong indicator of what has transpired; however, no one thinks or cares anything of it. . . because everyone has been programmed by THEY.

In the recent past, labor was privately based; today, however, labor is controlled by the government. Accordingly, “Corporations” are creatures of the State, and so are “Human Resources,” which are also considered to be “creatures” or “entities” that are created by the State. Simply Put: Americans are simply looked at as a Commodity. . .

See the term commodity defined below:

- **COMMODITY.** Something useful that can be turned to commercial or other advantage; an article of trade or an article of commerce.

And (Human) Resource:

- **RESOURCE.** The total means available for economic and political development, such as mineral wealth and labor force; The total means available to a company for increasing production or profit, including plant, labor, and raw material; assets.

And now the documented legal evidence will be presented to demonstrate what is really occurring. If you look in the Federal Law under Title 13 of the United States Code under section 1, which defines the Bureau of the Census, you will find the following information:

(a) As used in this title, unless the context requires another meaning or unless it is otherwise provided:

(1) “Bureau” means the Bureau of the Census.

(2) “Secretary” means the Secretary of Commerce.

The individual in charge of the de facto “Census” is the. . .

**“Secretary of Commerce!”**

So what does this mean?

The United States is keeping track of its Economic Commodities!

Pursuant to this fact, look at the following definition:

- **SLAVE.** A machine or component controlled by another machine or component.

The changing of terms from “Personnel Department” to “Human Resource Department” means THEY have reached their goal and now have desired control. Americans are simply “Slave Components” being controlled by the “Government Machine” for the Economic Wealth of the Elite. It is estimated that government has its hands in nearly 50% of the Gross National Product (GNP). Said figure has increased by over 40% in the last 25 years. In other words, Communism, under the guise of a Free-Market Capitalist System, is now the day-to-day reality in America.

So-called communism is just a way to establish central control of people so they can be dictated to and controlled by a central source for use by the unseen hand for commercial gain of the Elite/Ruling Class. Again, the following political rhetoric was a just a method to implement what is now in place, *i.e.* Tacit Servitude:

*“Democracy is indispensable to Socialism.” V. I. Lenin*

*“Socialism leads to Communism.” Karl Marx*

Again, it was said by a very wise man:

*“Under bad governments, this equality is only apparent and illusory: it serves only to keep the pauper in his poverty and the rich man in the position he has usurped. In fact, laws are always of use to those who possess and harmful to those who have nothing: from which it follows that the social state is advantageous to men only when all have something and none too much.” --Jean Jacques Rousseau*

America is just one big Economic Machine generating wealth for the World Elite through the guise of “The State”. . . And accordingly. . . YOU ARE A SLAVE !

You are not only a slave component, but because you are voting you are literally in servitude due to the criminal activity induced by the 14th Amendment. Accordingly the amendment not only creates a police state (socialist state=police state); but it also allows the easy redistribution of “Human Resources” throughout America for use in industry by the Elite, as required by “The Machine.”

This plot allows government[s] administrative agencies to seize property without the due process provided by a real court proceeding. The current de facto legal system is a far cry from the de jure (rightful) legal system, as was instituted under the original Constitution.

You are not considered a “national” of your country or state. . . You are just considered an “American” controlled by covert “Imperialism.”

However, there is. . . THE REMEDY

~~~~~

THE REMEDY

To enslave the American people, the World Elite used a slowly implemented plot based on International Law—with the main legal factor being consent. . . Consent by silence and actions. Further, you must understand that you have become enslaved by the hidden enemy’s weapon of MATERIALISM.

To set yourself free from the system, the most important thing to understand is that God is your Master. You can only serve one master.

If you do not believe in God you then believe in man. And, as all men are sinners you then are in deep trouble. If you let this most important factor be forgotten, then THEY will tacitly enslave you.

To remedy this evil induced situation. . . You must:

1. Put your faith in God and His Word.
2. Not participate in elections.
3. Claim one of the several American republics as your nation.

Accordingly, said actions will allow you will gain back your natural rights which are preserved under the “real” constitutional system. Such initiative will remove you from the control of the private laws as set forth by the Marxist federal government; moreover, from most of the private laws of any chosen American republic, as they currently only represent United States citizens and nationals.

Pursuant to this, it is the goal of the People’s Awareness Coalition to assist you in Reprogramming yourself. As this task is not an easy one, it will take a lot of study (Legal and Scriptural). If you chose not to take the initiative to free yourself. . .

We understand. . .

It has been said that only about 5% of the American colonists fought in the American Revolution. Your subversive masters also know this most important fact, and they care not because they know that you will remain in servitude to them by the doles they offer.

As Benjamin Franklin, a wise man, fittingly stated:

“Make yourselves sheep and the wolves will eat you.”

And fittingly, Thomas Jefferson (another wise man) stated:

We must make our choice between economy and liberty, or profusion and servitude. If we can prevent the government from wasting the labours of the people under the pretense of caring for them, they will be happy.”

Mr. Jefferson was apparently against. . . Socialism. . . For Obvious Reasons.

If you are an atheist, you have been programmed to be such by your hidden captors (for the reasons disclosed herein). Accordingly, you are excepting government to be your keeper, as THEY have planned; consequently. . . you are chattel of THEY. . .

God help you!

REMEMBER. . . Natural law under the guidance of God will set you free from government intrusion. Which brings us to a close, and thus a fitting statement by a man of great insight:

“THERE IS NO ONE SO HOPELESSLY ENSLAVED AS HE WHO FALSELY BELIEVES HE IS FREE. . .” Goethe

IGNORANCE IS NOT BLISS. . . IT’S SLAVERY!
